PANEL DISCUSSION

NATIONAL SECURITY SEMINAR
Thursday 13 April 2023
Panel discussion Question No.1

In light of the current discussions, we have emergency services parked with different ministries and departments. Should we have an integrated national emergency services housed under one ministry, or should we strengthen the current emergency systems?
Panel discussion Question

No.2

The current internal migration from rural to urban centres combined with the growing un-skilled and semi-skilled leads to unemployment, has put pressure on low number of police personnel, it is becoming an internal security issue.

What do you think is the way forward?
