

THE NATIONAL
RESEARCH INSTITUTE
PAPUA NEW GUINEA

PUBLIC NOTICE

Invitation for Prequalified Contractors

The PNG National Research Institute is hereby inviting relevant firms/companies to submit an expression of interest to be considered for prequalification as a contractor for maintenance works to its office buildings, residential properties and motor vehicles. Port Moresby based maintenance contractors and motor vehicle workshops are requested to submit their expressions of interest in the following trade areas:

- (1) **Buildings:** carpentry, joinery, plumbing, painting, pest control, air conditioning;
- (2) **Electrical:** wiring, security lighting, welding and solar lighting;
- (3) **Minor civil:** drainage, spike fencing, stone walling, gravelling and road patching; and
- (4) **Motor Vehicle:** repair, maintenance.

Prequalification will be conducted through the procedures as specified in the *National Procurement Act, 2018* and the *Public Finance Management Act*.

Company Profiles should include: (i) Current Certificate of Compliance (COC), (ii) IPA Certificate, (iii) insurance, (iv) current references, (v) copy of bank statement, and (vi) Contractors Certificate from Dept. of Trade, Commerce and Industry (*Motor Vehicle businesses exempted*). Contractors/and or firms engaged in electrical works will need to also provide 'Electrical Certificate' from PNG Power.

Site: The National Research Institute Campus
Closing Date: 28 February 2019
Time: 4:30pm

Interested contractors should collect the 'Prequalified Contractor Application Form' from the Grounds and Facilities Manager on **Tel:** 326 0300/0061 (ext. 344) or **Email:** Logo.Lotu@pngnri.org. Alternatively, you can contact Ms. Kani Kikman on **Email:** Kani.Kikman@pngnri.org for more information.
